AJAX SDA MISSION STATEMENT

Preaching
We proclaim to the world the message of the loving God. Matthew 28:18-20.

Teaching
We acknowledge that the development of mind and character is essential to God's redemptive plan. We will nurture believers in their spiritual growth.

Family Life
We recognize the sacredness of the family. We will create an environment conducive to the spiritual, physical, social and mental development of the family.

Community Outreach
We will be active agents for Christ in our respective communities. Our church will be accessible to the community and will assist in meeting its needs.

Here are ways in which you are currently most likely to contract or pass around the Covid 19 virus:

1. Being in close contact with another person (closer than six feet).

2.Via respiratory droplets which are expelled when an infected person coughs, sneezes, or talks.

3.If these droplets land in another person's mouth or nose, or if they're inhaled into the lungs.

The Centre for Disease Control notes that it may be possible for COVID-19 to spread in other ways, but these are not thought to be the main ways the virus spreads. This conclusion comes primarily from epidemiological data—tracking ways in which the majority of the people that were infected became infected. This means you must continue to practice safety measures and good hygiene, especially when you're out in highly crowded places like grocery stores. The most important precaution is wearing a face mask and keeping a safe social distance from others at all times.

Also, Keep washing your hands frequently and be mindful of touching your face.

Marcia Sutherland-Sept. 28th
Althea Nedd-Sept. 29th
Nathan McFarlane-Oct. 1st
Cedonette Harvey-Oct. 1st
Angus Batson-Oct. 2nd
Stephen Kapakasa-Oct. 3rd
Joshua Harvey-Oct.3rd
